EXPERIENCE

Instructor, Angel's Animals - Holistic Seminars, Daytona Beach, Florida 2010- present

Teaching in person and on-line seminars to Doctors of Chiropractic and Veterinary Medicine, animal body work professionals and animal owners. Duties include preparing materials, writing manuals, teaching the material, making demonstrative videos, answering questions, grading exams and case studies and providing on-going guidance to practitioners. Seminars taught include Animal Neuro-myofascial Release Technique, Equine Kinesiology Taping, Canine Kinesiology Taping, Equine Craniosacral Therapy, Canine Craniosacral Therapy, Animal Cold Laser Therapy, Animal Reiki, Equine Nutrition, Carnivore Nutrition, Equine Massage, Canine Massage, and Feline Massage.

Chiropractic Physician - 2011 - 2016

Providing patients with chiropractic care, cold laser therapy, spinal decompression, kinesiology tape, electric stimulation, heat and cold therapy and nutritional guidance.

Animal Body Worker, Angel's Animals - Holistic Care, Port Orange, Florida 2009- present

Evaluating small and large animals and providing them with Animal Neuro-myofascial Release Technique, Laser Meridian therapy and any additional soft tissue release or kinesiology tape needed.

Natural Hoof Care Practitioner, self employed, Arizona and Florida 2006-2011

Performing maintenance trims, transitioning horses with shoes to barefoot, providing corrective trims and boot fitting.

Wildlife Rehabilitation Assistant, Tucson Wildlife Rehab Center, Tucson, Arizona 2007

Administering food, fluids and medication to injured or sick wildlife. Maintaining a clean living space for animals. Rehabilitating raptors by performing flight exercises.

Research Assistant, University of Arizona Bacteriology Lab, Tucson, Arizona 2004-2006

Performed cultures, pulsed-field gel electrophoresis, PCR, 16S DNA sequencing, vaccination studies and animal studies. Worked mainly with *Clostridium perfringens* and *Clostridium difficile*.

Veterinary Technician, Animal Health Hospital, Tucson, Arizona 2002-2004

Performed physical examinations, dental procedures, phlebotomy, blood chemistry panels, injections, radiography, animal restraint and preparation for surgery.
